Pupil Premium Funding

Pupil Premium Statement 2015-16

The pupil premium is specific, additional funding provided to support the education of pupils known to be eligible for free school meals, pupils who have been eligible for free school meals at any point in the last 6 years (known as the Ever6 free school meal measure), and children who have been looked after continuously for a period of 6 months. From April 2014, eligibility for pupil premium funding extends to looked-after children who have been looked after for one day or more and children who were adopted from care or left care under a Special Guardianship Order or a Residence Order.

Pupil Premium funding also supports the needs of Service Pupils who may be disadvantaged emotionally and academically by frequent school moves and separation from loved ones because of training or active deployment.

School funding over the last three years is as follows:

Academic Year	2014-15	2015-16	2016-17
FSM	£11,700	£17,160	£17,160
Service Premium	£25,500	£27,000	£20,100
Total	£37,200	£44,160	£37,260

Pupil progress is monitored each term and for each child or group of children the best provision is planned. By prioritising, we are able to use this funding to support progress and learning thus enabling every child to make at least expected progress.

Our provision for these disadvantaged groups includes: -
