Appendix 1:

 # Guston Church of England Primary School

Early Years and Key Stage 1 Acceptable Use Policy

I understand that the Guston Church of England Primary School Acceptable Use Policy will help keep me safe and happy online.

- I only use the internet when an adult is with me
- I only click on links and buttons online when I know what they do
- I keep my personal information and passwords safe and do not share them
- I only send messages online which are polite and friendly and I would be happy for my parent or teacher to read
- I know that my teachers can see what I am doing online when I use computers and ipads in school or the website when home learning
- I always tell an adult, teacher, TA, Mrs Day, Mrs Tee or Mr Wells if something online makes me feel, upset, unhappy, worried or gives a funny feeling

- I can visit www.thinkuknow.co.uk/4_7/child/ to learn more about being safe online

- I know that if I do not follow the rules:
    - I may not be allowed to use computer equipment
    - My parents will be informed

- I know anything I do on the computer can be seen by someone else
- I know what the CEOP report button is and can use it

- I have read this with an adult and understand how to use these rules to keep myself safe.
