Teachers are more confident in the skills they have to teach Expert gymnastics lessons for pupils and lesson plans for teachers A gym club running 	Sports equipment:£800	<ul style="list-style-type: none"> Old resources have been replaced Maths of the Day 	Coaches: £1148.94	<ul style="list-style-type: none"> Attended twelve interschool tournaments. Four of which were Key Stage 1 based Allowed 60% of pupils to participate in interschool competitions so far. Won the dodgeball Year three tournament and came second in the mini league
Gym CPD - Free	<ul style="list-style-type: none"> Resource pack Teachers to feedback to staff 				
PE Conference	<ul style="list-style-type: none"> Feedback to staff Resources Cross curricular links made with maths 				
<ol style="list-style-type: none"> This year our priority is getting all our children active and involved in one sport or another. We understand that not all children want to compete in the traditional sports so we are striving to make sure that numerous more unique sports are offered either within school or by transporting our pupils to the experts themselves. Increasing children's activity throughout the school day. To address this we have bought Maths of the Day and the pupils in KS2 take part in the Mile a day.
