

GUSTON CHURCH OF ENGLAND PRIMARY SCHOOL

INTIMATE CARE POLICY

Introduction

This policy has been devised in response to the National increase in the number of children entering the Early Years Foundation Stage not toilet trained. It sets out the procedures we will follow in the case of a child accidentally wetting or soiling him/herself.

Parents are asked to inform us of any medical condition which may require their child to need a assistance with toileting. In certain circumstances, parents will be asked to provide spare clothes in a bag if school staff feel it is necessary.
