Year 5 Brogdale Days

The Year 5 Owls have reached the half way point in their outward bound teambuilding course. Over the past three weeks the children have enjoyed a variety of activities that have seen them getting back to nature. They have been muddy, wet, excited, happy and enthusiastic as they have searched for crabs at St Margaret's Bay, roasted marshmallows and hunted for bugs.

The six week course is aimed at team building and preparing the children for the transition to year 6 and onto secondary school as well as allowing the pupils to become more in tune with their surroundings and nature. All the children are thoroughly enjoying themselves.
