

Title: The Special lady called Nightingale by girl

Introduction: Defiant daughter

150 years ago there was a special lady called Florence Nightingale.

she belong to a rich family but she didn't like being rich!

she loved reading books it was her dream to escape her family

Subheading: Voice of god

Florence Nightingale heard a voice of god then it ceeped spring around until she got dizzy.

Then she wanted to be a nurse

Subheading: Hospitals from hell

The smell of poor people was called white blood. They didn't lay on beds. They lay on the ground

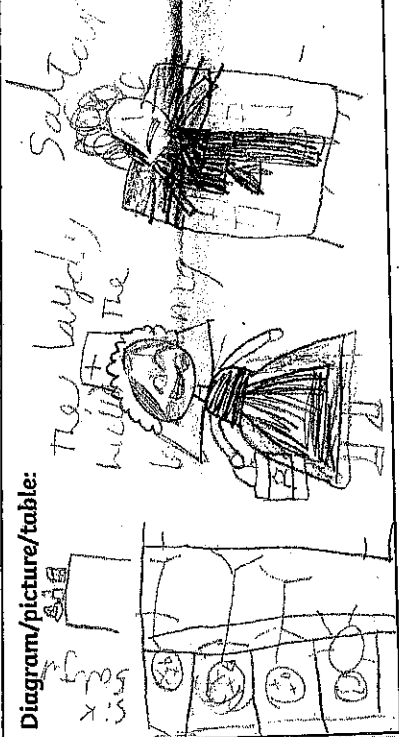

If they was to wheeze they had to lie on the floor

Subheading: How Flo help the soldiers

Florence changed the hospitals. She changed the bed. She was gentle with the soldiers

But not with her nurses. When she started nursing them had chef. she was nurse by the way of British the language

Diagram/picture/table:

Conclusion: working hard

When Florence got back home she got fatigues but she didn't like being famous!

she read and read she got tired to open castle. she got a medal
