

# GUSTON

## CHURCH OF ENGLAND PRIMARY SCHOOL

### NEWSLETTER 13TH JANUARY 2023

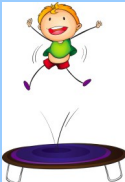

#### Guston HAS Talent!

I just wanted to say how impressed I am with the attitude and achievements of our children. We know they work hard in school and always try their best but it is so great to see that this attitude extends to interests outside of school.

I have been blown away by, not only the number of certificates, medals and trophies celebrated but the wide range of interests our children pursue; football, swimming, judo, karate, skiing, diving, running, trampolining, gymnastics, dance, to mention just a few.

Joining clubs and activities outside of school is such a great way to help children develop and give them a wider experience of life as well as learning new skills.

Keep up the fantastic work!

2022/2023

Running Club

#### Illness

As winter illnesses continue to circulate at high levels and pupils are returning to education, the UK Health Security Agency (UKHSA) has published a reminder on how to minimise the spread of illness in education and childcare settings.

Back to school advice issued amid high levels of flu, COVID-19 and scarlet fever - GOV.UK (www.gov.uk)

UKHSA advice remains clear that children can continue to attend as normal unless they are unwell and have a high temperature. Further information on when a child is too ill for school or nursery is available. School staff should continue to maintain their high expectations for face-to-face attendance.

Writer of the week
