## CHURCH OF ENGLAND PRIMARY SCHOOL

**NEWSLETTER 23rd April 2021**

### Welcome to the Summer Term!

On behalf of everyone at Guston, I hope you all managed to have a restful Easter break and were able to reconnect with friends and loved ones, after such a challenging year so far. The sunshine certainly shone for us, although the temperature remained stubbornly low!

It is great that the infection rates Nationally and locally are decreasing, however we must remain cautious and ensure we continue to follow the guidelines in place. We continue to protect our bubbles while in school; staggering lunch times, breaks and staff in the staff room. Please can you continue to support this approach by maintaining social distancing whilst dropping off and collecting your children and continue to wear masks while on site.

Thank you for your continued cooperation.

### Charity Work

After watching an advert on TV about other children in the world who don't have access to clean water, Olive (YR) has decided to raise some money for charity: water who help build things to help provide clean water to these communities around the world. Her idea is a 5 minute tea party, with clean water in a teapot along with a snack for £5.

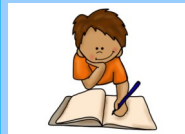

What a fantastic idea Olive - clearly demonstrating compassion, one of our Christian values. Well done!
