

# GUSTON CHURCH OF ENGLAND PRIMARY

NEWSLETTER 11th June 2021

### It's Term six already—how did that happen?!

It is beginning to feel a little bit more normal in school this term. Whilst we still have all the procedures and routines in place to protect bubbles, it was so lovely to welcome small groups of parents to our Bubble Sports sessions this week. Thank you to all those that were able to come. It has been lots of fun—if a little hot!

### Parent Consultation

Thank you to all those parents that have made 'Zoom' appointments to meet with their child's class teacher. It is so important that we work collaboratively with you to help your children make the best progress they can, particularly in the challenging circumstances we have found ourselves in over the last fifteen months. If you have been unable to make an appointment, please get in touch with your class teacher to arrange one.

Looking at next year, we are exploring the possibility of continuing with virtual consultations. The benefits are clear; lack of need for childcare, flexibility of appointment times and Service personnel can attend if away, to name a few. However I am keen to explore your views. With this in mind we will be putting a survey together via School Spider soon to gauge your opinions. Thanks.

### RSE

Following on from my email last term, this term your child will be learning about relationship and sex education in an age appropriate way. If you would like to discuss the contents of these sessions, please contact either their Class Teacher or myself. Thanks.

### Parent Conduct

It has been brought to my attention that a very small minority of parents are using offensive language whilst on the school grounds and around young children. I do not expect this of our parents and am saddened to have to raise it as an issue. Please be mindful of the language you are using whilst on site. Thank you.

### Birthdays this week & During Half Term

Belated Happy Birthday to: Oliver T, Savannah, Deepanshu, Ruby C & Prakriti  
We hope you have had or are still to have a wonderful day

### ONE WAY SYSTEM

Please can all parents remember that we still operate a one way system for drop off and collections. Please ensure you use the correct gates, even if it is a little out of your way. We have these procedures in place to protect your children, our staff and you. Thanks.
