Dear Class 2 it's me your wicked friend
 the ruler of rulers. Firstly, do you even care
 about us? We want to stay on our
 home table because when you carry us
 your hands are sweaty, also cold! Secondly,
 have I even mentioned I'm wrecked? Your last
 warning otherwise I will tell Mrs Day.
 I mean it last warning. You GUYS are
 killing us. I'm so so fed up of this if you don't
 do what I'm talking about then look at us,
 we are ruined! We all look like dots not cubes
 maybe it's time to be on strike like the
 pencils! Cross your mistakes out! Mrs Gifford
 said mistakes help you grow. We will be on
 strike or move to year six. Did you even
 hear me - year six? So look after us
 properly your ruling friends the rulers.
