English  
L1: To write a set of instructions.

- I can watch the demonstration carefully.
- I can work out the order in which things happen.
- I can create a set of instructions.
- I can follow the instructions to make the paper plane.

## How To: make A Paper Plane

You will need:

- 1 piece of A4 paper
- your hands

First get a piece of A4 paper

Next fold the paper in half

Then fold the corners in

After that fold the top and corners in again

Finally fold the flaps up and open out the plane!
