

GUSTON CHURCH OF ENGLAND PRIMARY SCHOOL

NEWSLETTER 30th June 2017

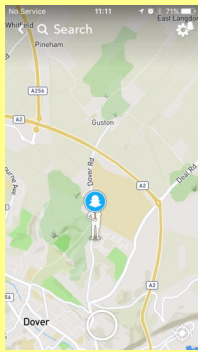

SLIME

We have had a number of issues involving slime, including children routinely smelling it. Due to the fact that we are unsure which solvent ingredients are used in different slimes, we have asked the children NOT to bring it into school. I would also like to highlight this issue for when children are playing with it at home. Thank you.

SNAPCHAT

It has been brought to our attention that there is a new mapping facility (Snap Map) on Snapchat which automatically allows users to view friends locations and their 'stories' and other users stories without having permission. This is because the default position for 'Snap Map Stories' is public. Therefore anyone can see stories that you share and can link it to a specific location. This has become a particular issue when parents have shared stories from Sports Day. You can change your settings to 'Ghost mode' which will mean you will not feature in Snap Map. You will however be able to see other users.

Please be mindful of using this facility, particularly at events linked to the school. Personal information, such as the name of the school a child attends, should be kept private. Thank you.

SIAMS

Following our inspection on 20th June, our SIAMS report has been published. Our distinctive Christian character, was judged to be outstanding at meeting the needs of all learners and both the impact of our collective worship on the school community and the effectiveness of the leadership and management of the school as a church school were judged to be good. The full report can be found on our website but here are a few highlight.

"This happy, inclusive school is built on clearly stated, distinctive Christian values that successfully drive its work to support all to achieve good outcomes."

"Collective worship is highly inclusive. The impact on relationships and the shared, daily life of the school is identified and appreciated by all stakeholders."

"Senior leaders know all pupils well, making considerable efforts to engage families and meet a wide range of needs."

"Involvement of pupils in leading worship brings about a high level of engagement and forms a strong foundation for further participation."

Thank you to all who contributed.
