Gurkha Everest Expedition 2017

In 2015, 16 serving Gurkha soldiers attempted to summit Everest in

celebration of 200 years' service to The Crown. Sadly, on the 25th April 2015, Nepal was hit by a catastrophic earthquake bringing chaos and destruction to the Gurkha's homeland. As a result, the majority of the team were stranded for several days at Camp 1 on the mountain. They then went on to co-ordinate the helicopter rescue of 120 climbers and Sherpa from Camp 1 back to base camp. In April 2017, the team will return to Everest to finish what they started in 2015.

We wish them the very best of luck and will be following their progress closely. If you want to follow their progress too, then go to: www.gurkhaeverest2017.co.uk or @G200E.

Thank you.

✝ Experience Easter
