GREEN GANG

FAMILY ACTIVITIES FOR THE OCTOBER & CHRISTMAS 2016/17 SCHOOL HOLIDAYS!

WELCOME to the autumn edition of the Green Gang magazine produced by the White Cliffs Countryside Partnership. The Green Gang is a special programme of fun events for children and their families that has been running for 23 years, giving children an opportunity to learn more about local wildlife and countryside. Most of the events are free, although a donation is appreciated to help cover the running costs of Green Gang.

DEN BUILDING AND BUSHCRAFT EVENTS

Want to know how to build a den or learn how to light and toast marshmallows on a camp fire? If so, come along and join in with one of our fun events in Dover!

On **Monday 24 October** we have Bushcraft Basics and 'Ghoulish Kites'! and on **Tuesday 25 October** we have 'Den Building and Survival Skills'. Both require booking so please take a look at the details inside and book your places!

WILDLIFE MIGRATION DAY AT SAMPHIRE HOE! #wildlifemigrationday

Species migrate to find food and breed. There are large numbers of birds, including many types of ducks and geese that arrive from other parts of the world to winter in Britain, while others leave Britain to spend the winter in warmer places. Birds have an inbuilt compass which allows

them to detect the earth's magnetic field which helps them navigate. Come along to Samphire Hoe on **Saturday 29 October** between 10am and 4pm to find out lots more fascinating facts about wildlife migration. More details inside.

THE BIG SCRUB BASH

Chalk grassland is one of the most important habitats for wildlife in Britain. A well-managed chalk grassland can contain 30-40 different species of plants in a single square metre which provide a home for a large number of insects such as butterflies as well as many other creatures. During the winter months volunteers help with scrub clearing tasks, to remove shrubs and trees otherwise they shade out the rare wildlife.

Come along and join us at the Big Scrub Bash at Folkestone Warren on **Sunday 4 December**, where we will cook jacket potatoes on the bonfire.

BUGTASTIC EVENTS

On **Thursday 27 October** you can have a go at creating a bug super hero at one of the regular 'Art in the Shelter' event at Samphire Hoe!

While on **Friday 28 October** you can then join the Bug Roadshow in the Folkestone Warren and find out all about real bugs and build your very own bug hotel to take home with you.

Look out for more details inside.

ALL CHILDREN MUST BE ACCOMPANIED AT ALL EVENTS

Children under 18 must be accompanied at all times by a parent or guardian. It is the responsibility of the adult to make sure that their children are safe and well behaved, not the responsibility of the leader of the event. Many events take time to set up beforehand, so please don't let unruly behaviour spoil the event for everyone else.

HAVE A GO AT VOLUNTEERING

Volunteer events are practical conservation days where local volunteers carry out practical work to improve the sites for wildlife and people. The leader will explain about the work and how to use the tools. You don't have to stay all day – why not come along for an hour or two. We provide gloves, as well as refreshments, but please old clothes that you don't mind getting dirty or torn, and wear boots that protect your toes and have good grip, and bring a cold drink and packed lunch if you want to stay all day. These events can also count towards your Junior Ranger totals. Contact us on 01304 241806 for more details.

THE GRADING SYSTEM (to help you choose a suitable walk):

- Grade 1 Very easy walk generally on pavements.
- Grade 2 Easy walk in the countryside with gentle hills. No stiles.
- Grade 3 Typical country walk with some steeper hills or stiles.
- Grade 4 More difficult walking with steep hills or likely to be muddy paths
- Grade 5 Difficult walks e.g. rocky shores or night walks.

Junior Ranger events

Suitable for wheelchairs or prams.
