My life

August Pullman

By Darya

August is an unsal 10yr old boy. The start of his life was many NUSb to the hospitals. His mom and dad had the worst news ever in the life. The doctor said your son has been diagnosed with a condition called CLEFT PALATE He had 77 surgeries before he was 1yr old since that day August parents have look care of him because his different to other people. August loves playing with light savers also

he enjoys sitting with dad watching the Starwars films. August misses his friend Christopher because he knows that he is different. August now enjoys going to school since his mother home led him for 1 year. August found school difficult because he is different kids call him Freddy Krueger. The day of halloween. It's August's favorite holiday August dressed up as Bleeding Scream he believed it was fun but some think cosumed August from his friend jack fuckt bad about him. That was August's life.
the end.
