

Tack VS Maz

In a land far away King Cloud lived in a big temple. He was a tall, bearded rich man. King Cloud gave Tack powers because he wanted his son to save the world. Tack was now God of Volcanoes. The King Cloud hid a magic bottle bottle in the Underworld. One evening Tack went to find the magic bottle in the Underworld. He went through a shiny red door. He saw a scary ugly gorgon. Next Tack slayed the gorgon with his huge sharp shiny sword. Gorgon fell to the bloodied floor. After that Tack found the magic bottle. Tack took the magic bottle and he went through the magic door and gave the Tack magic bottle to King Cloud. At last Tack drank the smelly purple liquid. Now Tack could fly and shoot lava. Tack was called Maz and he is now a hero. Mount Olympus is in up. All of a sudden Tack shot lava at Maz and Maz shot stones at Tack. Tack put Maz in the lava ball. Tack put them up and went to the volcano. Tack put the lava ball on to see his dad. Everyone clapped and cheered because Tack saved Mount Olympus. The end....
