NEWSLETTER 15th September 2023

Car Park Danger

With the change of the school day timings, some dangers have been identified with the use of the car park.

The staff car park is in constant use by staff in the mornings, so **please could all families use the designated footpath that is next to the building rather than walking across the car park.** I know in lockdown this route was encouraged but thankfully we are out of such times so we need to establish safer practices.

I would also like to remind parents that the **car park is for staff use only and must not be used for drop off or a turning circle.**

Thank you for your co-operation. Mrs Day

COMMUNITY ROOTS VAN

The Dover District Council Community Roots Van, is a fully equipped office on wheels, helping bring council services to communities across the Dover District. The van is there to assist with tackling social isolation and supporting communities. During each month, the van will be themed providing advice, support and merchandise for that corresponding theme.

We will also aim to come along with relevant partner agencies, who will be on hand to support. Please access more information using the QR code or this link:

Mini Tennis

I had the privilege of taking six Y3&4 pupils to Deal to a Mini Tennis tournament yesterday. They did us very proud, despite being up against some very tough competition. Their sportsmanship and behaviour was exemplary and was commented on by many of the teachers and staff present. We had a great afternoon!

Happy Birthday to:

Aayan & Reeva
