## NEWSLETTER 9th July 2021

**Y6 Camp Out**

What a lovely evening we had! Such a great way to celebrate our Y6s leaving us. We're very proud of you...although you need to sleep longer!

### Thinking of returning to your role as a healthcare professional? We can help you!

This message goes out to all parents, carers and members of the local community who may once have been a healthcare professional such as a nurse or midwife and now considering a return. Returning healthcare professionals have a key role to play in ensuring patients and service users have access to experienced and well-trained care staff equipped with the right skills. Health Education England (NHS) provide funding to support the pathways to return and are keen to support or answer any questions you may have if you are considering returning to perhaps nursing, midwifery or if you trained as an allied health professional (AHP) or a healthcare scientist (HCS) but have since left the profession.
