

NEWSLETTER 22nd September 2017

Collection from School

In order to safeguard your child we need to ensure they go home with an adult that is authorised by you. Therefore we are not allowed to send children home with any adult who is not on the authorised pick up list.

Please ensure you have notified the office of the people you wish to collect your child on a routine basis. Please also notify the office if there is a change in any normal arrangements.

While teachers are getting to know you all, it might initially take longer for classes to be dismissed at the end of the day. Please bare with us, this is for good reason, we are keeping your children safe.

Please also ensure your children are supervised after school appropriately. We have recently had four very young children come into the school grounds unsupervised at 4pm.

Thanks for your continued co-operation and understanding .
