

**WELCOME BACK TO TERM 3**

Welcome back to Term 3! I hope you all had a restful break and enjoyed some great time with your families.

By now everyone should have their School Spider log in details and be up and running smoothly. You will need these details to log on and book a slot for the upcoming parents evenings in February (see below). If you do not have your log in details, please contact the school office.

Thanks for you co-operation

**School Visits and Workshops**

This year has seen the introduction of our new Guston Curriculum to engage and immerse the children in their learning. To allow the children to achieve their full potential, the children need experiences to really develop a deep understanding of a theme and to do this we will organise visits and in school workshops. We will always try our upmost to cover the cost of these extra activities but unfortunately due to ongoing budget restraints we are sometimes required to ask for voluntary contributions and if the cost of these visits is not met they may have to be cancelled.

Thank you for your cooperation.
