KS2 PLANETARIUM WORKSHOP

On Thursday Key Stage 2 blasted off into space! In the morning we were visited by the Planetarium; the children took a journey around our galaxy investigating Saturn, Jupiter, Venus and Earth. They got to see inside the International Space Station where they met the astronauts and found out where they go to the toilet. In the afternoon they worked collaboratively to create their own planets with facts and maps.

FIRE SAFETY WORKSHOP
Kent Fire & Rescue Services are coming in to our school to talk to all the children about fire safety. It is very important that children of all ages are made aware of the great danger of fire and how to respond in the event of a fire at home or school.

THANK YOU FOR YOUR SUPPORT

Thank you to all the parents who attend our school assemblies for modelling the good behaviour we expect and have been working towards with the children. It is noticeably calmer and quieter which is a great result. Please continue to be the excellent role models you all are.
