

### How We Teach Reading...

Many of you have asked for help with reading support at home. Therefore to help celebrate the art of reading and develop children's enjoyment of reading, we are planning some workshops to run in Term 4. These are intended to be regular short focused sessions that will help parents of children of all ages to support the development of reading at home. There will be 5 sessions per group starting from week commencing 26th February through to week commencing 26 March and will be held in our community room from 8:45—9:15am.

The different year groups will be on the following days:

- Monday—YR - Phonics, blending & segmenting and pre reading skills
- Tuesday—Y1/2 - Phonics, retelling and comprehension
- Wednesday—Y3/4- Phonics, retelling and comprehension
- Thursday—Y5/6 -Big Read strategies taught in school

We will be talking more about this at the upcoming parents evenings later this month and you will be able to sign up for the workshops here too.

It will be wonderful to see as many parents attend as possible.
