

The Caimen

Caimen, Caimen, green as grass,
Terrified fish within your clasp,
Seeking fish day by day,
Ready to pounce on their prey.

Caimen, caimen, green as grass,
Do you wear a fearful mask?
Hard to spot you elusive beast,
Are you content with your fullfilling feast?

Caimen, caimen, green as grass,
Moving swifly, moving fast,
While you're eating your food,
Does it put you in a good mood?

Caimen, caimen, green as grass
Terrified fish within your clasp,
Seeking fish day by day,
Ready to pounce on their prey.
