## CHURCH OF ENGLAND PRIMARY SCHOOL

### NEWSLETTER 26th January 2024

#### Athletics

On Monday 22<sup>nd</sup> of January a select group of elite athletes were selected from years 3 and 4. These pristine specimens of sport attended the Sports Hall Athletics Competition in Sandwich. They ran, jumped and threw their hearts out loving every second of the day. Finishing overall in 12<sup>th</sup> they were a credit to themselves and the school.

Well Done Super Sports Stars.

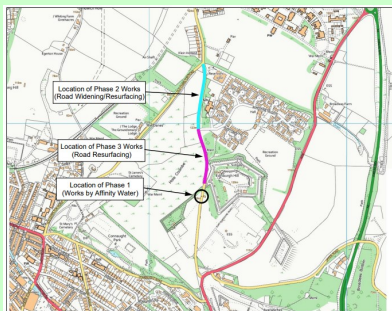

#### Benchball

Congratulations to our fabulous Benchball players who represented the school brilliantly on Wednesday. Whilst it wasn't a competitive event, we noted that we won 5 games and drew 1!

Well Done!

#### Road Closures (Please see separate email for more details)

#### How we plan to carry out the works

The works are being carried out in phases under a road closure as follows:

- Phase 1** – The closure of Dover Road between the A258 Castle Hill Road and Burgoyne Heights to enable Affinity Water to carry out the new water main connection close to Fort Burgoyne. Access to all properties within the closure will be maintained from the A258 Castle Hill Road, with pedestrian and cycle access maintained through the closure. Access to Guston Primary School and Burgoyne Heights will be maintained from the Guston side. This closure will be in place from 12 February for a maximum period of 1 week.
- Phase 2** – This will involve the closure of Dover Road between Old Charlton Road and Burgoyne Heights, to allow Affinity Water to complete the disconnection of the water main and for KCC to undertake the widening and resurfacing of the carriageway. During the working day it will not be possible to maintain access through the works for pedestrians or cyclists due to safety requirements, but a pedestrian and cycle route will be provided through the closure outside of working hours. Access to Guston Primary School and Burgoyne Heights will be maintained via the A258 Castle Hill Road. This closure will be in place from 19 February for approximately 7 weeks.
- Phase 3** – This will require the repeat of the Phase 1 closure to enable the road resurfacing to be completed between Burgoyne Heights and Fort Burgoyne. However, we are currently exploring the possibility of carrying out this work as part of the Phase 1 road closure, which could reduce the overall duration of the work.

A signed diversion route will be provided via Dover Road, The Lane, A258 Deal Road, and A258 Castle Hill Road.
