

Snow

Well, we did our best to remain open but the snow and 'ice rain' (whoever heard of such a thing?!) got the better of us on Friday afternoon sadly. I would like to take this opportunity to thank the staff for making great efforts to come in, in difficult conditions. A special mention must also go to our super group of 'gritters' Mr Saru Magar (Y2&4 parent), Mr Budha Magar (Y2&5 parent), Mr Gurung (Y3 parent), Mr Shrestha (Y6 parent), Mr Buckland (Y3&5 parent), Mr Williams (Y1&3 Parent), Mr Burrows (Y2 parent), Mr Medhurst, (Y6 parent) Mr Pearce (Mrs Pearce's husband), Mr Surendorff (Y6 parent), Mr Strelow (Y1 parent) & Mr Strelow (Y1 Uncle) who helped Mr Saunders ensure that both junctions out of the school and Burgoyne Heights were gritted to allow staff and parents to travel home safely. Your availability and efforts were very much appreciated. Thank you. Mrs Day

Boiler Replacement

We are one step closer to having our boiler replaced. A contractor has been approved and we've had our first meeting to discuss a start date. Whilst we have been reassured that the works will not impact on the school as whole, because phase one will be focusing very much on just the boiler room, there will be additional vehicles in the car park and some equipment being delivered at certain times. Please remind children to be safe when at the front of the school and keep to the pathways provided. Thank you.

Have a look on the school website..

Mrs Tee has been busy adding a range of local information and activities on the FLO page under local events. You will find loads of upcoming Easter fun to have with your family and quick links to several local attractions. Also keep an eye on "our gallery" for photos of what we have been up to during the day including our World Book Day photos which you will also find in this week's Dover Express newspaper.
