Walking to school

There have been a couple of incidences recently of pupils walking to school unsupervised and themselves supervising a younger family member. Whilst we appreciate Burgoyne Heights is perceived to be safe and many children play outside unsupervised after school or at the weekends, please be mindful that there are still significant risks. It only takes one accident or incident to result in a child getting hurt or worse.

Please do all you can to keep your children safe.

Thank you.

Did you know.....

When your child turns 5 or is already over 5 you have the option to pay for them to continue receiving milk at school. Please visit www.coolmilk.com or speak to the office for more information.

If your child is in KS1 they are able to receive a daily universal infant free school meal. However, if you are eligible once they move into KS2 to receive free school meals, don't wait until then and apply now while they are in any KS1 class as the school will receive extra funding.
