Service Children's Progression Alliance (SCiP) South East Hub launch

We were fortunate enough, to be invited to the launch of the South East's new SCiP Alliance on Wednesday. This was an opportunity to get partners together to support Service Children of all ages.

Seven of our Y6 pupils went and represented Service Children in Primary school, along with secondary aged pupils from the DOYRMS. They shared their experiences and pride at being a Service child and were without doubt the stars of the show!

As ever they represented the school beautifully, although we may not be invited back once they've done a stock take of the amount of pastries that were consumed - strategic choice of table position was vital!

Self Esteem Day

This week, each class had a brilliant workshop on self-esteem and the importance of looking after our mental health as well as our physical health. To keep our mental health healthy, we need to: think about how much tech we are using, be active, have a balanced diet, get plenty of sleep and speak our feelings!
