Japanese Visitors

We have been fortunate to have had Japanese visitors this week who have worked with all of the classes. They have explored Japanese culture in a range of creative ways.

If you would like to learn more about what the children have been up to please look at the Japan Institute's website at <http://www.japan21.org>

Bikeability

Group 1 of Year 5 have began the week enjoying a 2 day Bikeability course. They have been learning key road awareness and road safety practices. Well done all.

Group 2 will be participating in the same course on the 4th & 5th October. Children in this group will be reminded of details nearer the time.

Forest Schools

We have been fortunate to secure Pete Evan to run our forest school programme on Mondays again this year. A huge thank you must go to FOGS for part funding this.

The programme will be a rolling one beginning with Sharks class in Term 1.

Other classes will be notified ahead of them starting.

Just a little note...

Mrs Day will be absent from school next week as she is having a simple routine procedure which will require some recovery time. If there are any issues, please contact Mrs Tee or Mr Wells. Thank you.
