AFFINITY WATER DAY

On Tuesday, we had a water-based day of learning! Affinity Water led an assembly for KS2 and workshops for KS1 all about water. Throughout the day, we learnt how much water we can waste and thought about ways in which we can save water. The most surprising fact was that an 8 minute power shower uses 104L of water! That's even more than a bath (80L)! It was great day and we have learnt lots.

Thank you to Affinity Water for leading the day!

Governors Tea Party

The Governors would like to invite you to join them for a cup of tea and a piece of cake on Friday 28th after AN EARLY celebration assembly at 2.00pm.

We have a vacancy for a parent Governor, so if you are interested this would be a great opportunity to ask any questions you may have before putting our name forward for consideration. We look forward to seeing you there.

MACMILLAN COFFEE MORNING

**Sat 29th October
