

GUSTON

CHURCH OF ENGLAND PRIMARY SCHOOL

NEWSLETTER 19th July 2024

Happy Summer Holidays!

Well, it feels a little bit warmer as I write, so I am hopeful that summer has at last arrived! On behalf of everyone at Guston, I would like to wish you all a very happy summer. Try and relax and enjoy some family time - or go to work for a rest - whichever works!

We are sadly saying a very fond farewell to a few members of staff this year. Mrs Rhodes finally retires, so we wish her all the very best. Miss Gower is off to a local school to continue the fabulous work she does teaching in Y1. Mrs Tobler is also off to continue supporting children at another local school. We will miss them all but I have a funny feeling we'll see them all again soon! Good luck!

Athletics

Well done to all the Y5&6 children who represented the school in the Athletics festival at the DOYRMS on Wednesday, they were fabulous! Mr Wells and Miss Gifford were so very proud of how they gave their absolute all! Keep up the great attitude.

KS1 Summer Songs

Our younger children (Willow, Sycamore and Chestnut) thrilled us all with some fabulous songs on Thursday afternoon. Well done and thank you to everyone involved.

Wizard of Oz

Y6 wowed their friends, family and the school this week with their amazing production of the TWoO. Such talent and hard work. Thank you all for being amazing. My eyes may have leaked!!

Trim Trail

As I'm sure the children have mentioned and you have seen, the trim trail has been out of action for some time. This is because it failed it's annual H&S check and it was going to take thousands of pounds to fix, which we do not have. This is an ongoing cost to the school, so we have reviewed the advantages to having it, the amount of time in the year that it is able to be used and the cost of maintaining it. Taking into account all those things we, have made the difficult decision to have it removed.

Very kindly a number of our Dads from RGR, have offered their manpower and will be removing it over the weekend. Thank you soooo much!

I would like to reassure you that developing our outside space is a priority for 2024-5, so we will be developing the area with new and exciting additions, but ones that cost a little less to maintain and that we can use more often!

Miss Gifford is also completing Forest School training to ensure we use the area to the maximum, once our boundary fence is secure.
