Parents Evening

Parent Evening bookings are now open on our School Spider App. Please ensure you have downloaded the app, registered and logged in to enable you to book an appointment.

If you have not logged out from last July then you will need to log out and log back in again to ensure you are able to book. This caused a number of parents difficulty when bookings went live on Tuesday.

We do apologise for any inconvenience caused by some glitches in the system but I hope you agree that the benefits of booking electronically (equality of access, convenience of time, ability to coordinate appointments) far outweigh the occasional frustrations. Thank you for bearing with us.

Playtimes

I just thought it would be nice to share with you some pictures of our lunchtimes! Children are happy with the new activities we've organised and it is so lovely to see the older children playing so beautifully with the little ones.
