

The Mrs. Davies

by Daniel, Aarth and Arthan.

Scientists believe that if you pour up to 4 grams of sparkly glitter near <sup>chemo</sup> her, she will start running for her life. You will usually find her rolling around on her side in. You can find the Mrs. Davies roaming the outskirts of Guseon village. Frequently ~~go~~ on Fridays, you can find the Mrs. Davies looting the fish and chips bar. The Mrs. Davies is also found running around both playgrounds at Guseon primary at the times: 9:55 AM to 10:00 AM.

Awesome!
