Text: Rainbow Bird by Eric Maddern.

- o To find features of tradition tales in the story from another culture.
- o To role play part of the story.
- To hot seat the characters.

Rainbow Bird was plain and grey.
But then, she turned beautiful.
She is kind because she shared
the fire to people. She is generous
because the fire kept the people
warm! She flew high up
in the sky fast and gracefully.

Text: Rainbow Bird by Eric Maddern

- o To sequence the story and verbally retell the main events.
- To describe the main characters using adjectives.

Crocodile Man was
rough, tough and scary.
He has sharp teeth, evil eyes,
rough back and prickly tail.
He is green and mean. He is
selfish of animals because he
wouldn't share the fire. He
liked to play with fire.
