look out of the window  
well I look out of the  
window I saw red flames.  
I jumped out of window  
and I saw people  
screaming and I saw

escaped in a boat  
and I felt bad  
for all of the people  
who died. I felt heart  
broken for all of  
the people who

Dear Diary

The fire is still  
burning and I saw  
people going to  
Lethbridge and over  
1500 houses and 87 churches  
burnt down and I  
lost my expensive cheese  
in the mud and people  
were going fire  
hooks and 6 people  
died and the king  
was not taking very  
seriously. I felt very  
very bad from Masi
