- I can retell the story in words.
- I can write the story with each event in the correct order.
- I can write in full sentences.
- I can use interesting vocabulary.

Once there lived three billy goats. They were all called Gruff. They lived on the rocky hillside. They were always moaning about the food they had. They always dreamed about crossing the river there was a bridge but the bridge was the only way across and under the bridge lived a horrible, green and scary troll that would gobble up anyone who dared to cross the bridge. Nobody dared to cross the bridge. On the other side there was lush green grass. One day while the three goats were moaning, old grampa ^{got} ~~said~~ ^{looked} why don't you go feast yourself in the big meadow.

Super start Shannon!

Why were the goats moaning?
