

New School Dinner Provider

I am pleased to announce we have arranged to change providers of school meals starting in September. Whole School Meals provide a large number of schools in the local area and come highly recommended. A few changes will occur from September.

Beef will go back on the menu, with an alternative for those who do not eat it. A school packed lunch will no longer be available, instead children will have the choice of two main courses plus a vegetarian option. The cost of a meal will increase to £2.30 and there will also be a self service salad bar! We will be sending home the new menu as soon as we receive it and we will be holding some menu taster sessions in the new year.

Please have a look at the website for more details:

Improvements to the Starfish class

Thank you to all the parents who donated materials and helped on Sunday to make the improvements to the Starfish classroom. We now have a new sandpit, planters, compost bin, painting boards, fun toadstool seats for the outside areas and a number of new toys and games for the class. Also a big thank you to FOGS for their kind match funding for the project, we couldn't have done it without such a big team effort!
