

**Welcome Back**

We hope you all had a restful summer and enjoyed some quality family time. We have attached a list of dates for the year. This is not an exhaustive list but should help when planning time off for key events. We will continue to remind you about a date closer to the time on the newsletter.

**Whole School Meals**

As you are aware we have changed our caterers this year. Feedback from the children and staff has been overwhelmingly positive.

"The chicken tastes like chicken", "This is delicious", "Thumbs up from us" are just a few of the quotes!

WSM are offering a couple of taster sessions so parents can taste some of the menu options:

**10th September:** 11.30am (Community Room) YR Taster sessions for YR pupils and parents. (Mrs Powell will be bring children over to the community room early to meet you and try the food)

**13th September:** 2.30pm (after and EARLY celebration assembly) in the hall.

Currently the system is cash only but we are moving to a online payment system soon. We will keep you updated. Apologies for any inconvenience.

**Parent Consultation**

For a number of reasons, we have changed the structure of Parent Consultations this year.

We will be running a 'welcome/settling in' Parent Consultation on the

17th and 18th September, where you will have the opportunity to meet the class teacher and discuss how your child has settled in to the new year group. Expectations will be shared too. The next meetings will be in January where achievement and target information will be shared.

Obviously, if you would like to meet with your child's class teacher between these dates, please make an appointment and we will ensure a convenient date is set. We continue to run our open door policy.

Booking appointments for Parent consultation will continue to be done through School Spider to ensure equality of access for all parents.

Booking will be live from 1pm on the 12th September (next week Thursday).

Please ensure you have logged in and remain logged in.

**FIZZPOP**

All parents should of received a email last term advertising the FIZZPOP Science Workshops that are due to start next Friday. There has been a very low sign up and it may need to be cancelled. As per the School Spider message received yesterday, please sign up online at [fizzpopsience.co.uk](http://fizzpopsience.co.uk) today to ensure this workshop can go ahead if the numbers increase.

**Water Bottles**

All children should have a water bottle so they can easily access a drink of water during the day. ALL water bottles should be named. Due to concerns regarding hygiene, we will now be sending water bottles home every day to be washed at home and brought back into school full of water the following day. Thank you for your co-operation in this matter.

**SUPERSTARS!**

**Our superstars this week are:** Delisha, Samuel K, Giuliyana, Yojan, Dexter, Finlay, Connor, Oliver T, Ben, Odichi, Nayan, Kallen, Ashna, Rawan, Racheal, Anika, Aland & Oliver C.
