Parking Complaints

As I understand it Corunna Place used to have a number of empty properties which left ample space for (non resident) parents to park safely when dropping off their children to school.

However over recent months and weeks the empty houses have been rented out and now parking spaces in the road are needed for residents.

Therefore please ensure that you **park considerably** when dropping your children off, not blocking driveways or the road itself. Residents have their own commitments and need free access in and out of their properties.

There is plenty of space to park on the main road so I would urge you all to think carefully before parking.

Thank you for your consideration.

Harvest Festival

We will be celebrating Harvest Festival next Friday at 2pm. Some Y6 pupils have offered to lead the celebrations and share what the rest of the school have been doing with local Artist Brenda Burgess.

We will be collecting produce to donate to Dover Foodbank. In the box to the right are a list of items that they are running very low on.

If you are in a position to donate some of them, that would be fantastic. We will be collecting donations from Monday to display in the hall during the festival.

Thank you.
