NEWSLETTER 26 November 2021

Thank You

We appreciate that we have asked for lots of charitable donations over the last few weeks and as we approach Christmas our FOGS team are asking for support for Guston Christmas events. Please remember to only donate what you can.

"You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. 'For God loves a person who gives cheerfully'."

Outside events

As you are aware we have moved both our Christmas productions outside this year. We have also decided to remain with one event for each key stage.

On the day of performances (see below) please ensure your child/ children have got appropriate clothes to wear, including scarves and gloves - it's likely to be a bit chilly!

I really hope you are able to join us - it will be different than usual, but still a lovely way to celebrate this special time of year.

Christmas D&T Project

To link with our Design and Technology curriculum, next week, your children will be busy designing and building an item ready to sell to you (for a very reasonable rate!). Stalls will be open between 3.10 and 3.30 on Friday 3rd December, in classrooms, rather than the hall, to help us only mix within classes. Price for items will be no more than £1.00
