Benchball Event

We went to St Mary's Primary School on Tuesday to play benchball against five different local schools. It was a brilliant afternoon as we met lots of new people; everyone was friendly and we learnt new skills. We took it in turns to be in goal and were able to talk tactics which meant that we won four out of five games so did really well.

Jellyfish Family Homework!

As part of their work this term on Online Safety, Mrs Tee has asked Jellyfish to talk to an adult in their family about keeping safe online. She's asked that the adult then shares what they've learnt using a speech bubble provided.

Sadly, some children felt that no adult in their house would have time over the holiday to do this...please prove them wrong!

Thank you for your support

Recommend a book

This week Mrs Powell has recommended "Wonder" by R. J. Palacio

It is a heart-warming story of a boy born with a terrible facial abnormality. Auggie Pullman is a shy, bright ten-year-old and has been home-schooled by his parents for his whole life, in an attempt to protect him from the cruelty of the outside world. Now, for the first time, Auggie is being sent to a real school. But can he convince his new classmates that he's just like them?

Well done!!

- I can listen to the first part of the story.
- I can think about what might happen next in the story.
- I can write my predictions for the story.
- I can share my learning.

I predict that Gerald may try to do
 out for ever Gerald runs away.
 Gerald can dance but he's nervous to hear
 may tell him to try. Animals may keep making
 fun of Gerald. Gerald gets hurt
 gets tangled up but keeps on trying
