CHURCH OF ENGLAND PRIMARY SCHOOL

NEWSLETTER 11th February 2022

Positive News

I wanted to begin this week's newsletter with some positive news! We appear to have turned a corner with the spread of COVID and have not had any reports of pupils with a positive case since last weekend. Today also marks the first time this term that all staff have been able to be at school. Something to celebrate for sure!

I hope you all have a great and relaxing half term. Take care and we will see you back, safe and well, on Monday 21st February.

Parent Consultations

Just to let you know we will be inviting you all to Parent consultations next Term on 1st and 2nd March. We are aiming to have them in person (unless things drastically change COVID wise) but we are in the process of reviewing how these will run in the hope that they are time efficient and avoid excess waiting times.

We will write to you early next term.
Thanks

Happy Valentine's Day

The pandemic has certainly made us reflect on the things that are important to us in our lives. With that in mind, I hope you all are able to spend time with those that you love and that love you, over the holidays.

Road Closure

As I am sure many of you are aware, work will be starting next week on the road that runs between Dover town and Guston village (Dover Road). Vegetation clearance, archaeological investigations and the start of construction of a 'fast track' bus route between Dover Priory and Whitfield will begin. Therefore, sections of the road will be closed. The Project newsletter reassures us that access to residential properties and Burgoyne Heights will be maintained at all times.
