Dear Diary

Today's has been scary.

The bakery was on fire.

People were worried and

terrified. It has been

awful. I was scared! I

saw people running. I saw

people sailing away and

leaving their family. I heard

bakery man say: I need

to sail away fast. He

sailed away without saying

a thing. My ~~ears~~ ^{ears} hurt ^{because} & people

were screaming so loud. I

wanted the fire to stop

but it didn't stop.
