GUSTON CE PRINCE  
Dove/

Your Royal Highness

I am writing to you to ask for  
permission to write stories to your loved  
Queen Shahzad.

FIRSTLY I am reminding you that if  
you ~~leave~~ shahzad's head of you  
well ~~not~~ have any stories and have  
to sleep in the dark with only your  
nightmares for company.

Secondly you are going to miss out  
on all these amazing stories do you want  
to miss out on all those stories? You  
will have to live alone in the dark  
by yourself

LASTLY, and most importantly, you  
won't have any dreams all you will have  
is very bad nightmares you will have  
to live alone in the dark Do you want  
that? i cant dream of how scared you  
would be.

In conclusion, you will not be  
able to sleep without her and  
your nightmares for company, do  
you want that?

Your humble servant EN
