#### Farewell

We had our Service families leavers' event today and it was very emotional! Usually we have the majority of our Service families for three years but due to COVID, we've been lucky enough to keep them for an extra two! It has not been the easiest few years but as often happens during challenging times, communities pull together and you get to know your neighbours and community a little better and that is what has happened here.

Not all families are going immediately, but some are leaving us today and whilst we are excited for them and their new adventures, we are also selfishly sad to be losing them.

Thank you to all those families leaving for all you have contributed to the school in your time here, you will always be part of our Guston family and it has been a privilege to work in partnership with you.

We wish you the very best of luck with this exciting new chapter...you have school emails so please feel free to keep us up dated with any news!

Best wishes and take care. Mrs Day and the Guston Team x
