NEWSLETTER 25th September 2020

Individual Photos

On the **2nd October** we will be having individual photos taken by Tempest photographers. We have made the decision to not have photos of siblings together due to the logistical challenges it creates in getting lots of children from different bubbles into one place.

We have explored the option of merging photos together to create one picture but this is unfortunately not possible. The photographers have kindly said they may well be able to return at a later date if guidance changes. I know this is disappointing for many of you but in the circumstances we are facing, it is unavoidable. Apologies.

Y6 Bubble Timings

Having trialled the staggered start and finish times for a few weeks now, we took time this week to review how things were going. Firstly we would like to thank you all for your continued cooperation with this system. The weather really tested us yesterday but people were great at keeping to times and things ran smoothly. Because of this we have not made any radical changes to timings but we are changing the Y6 departure time to 3.15pm rather than 3.20pm. This still allows all the classes to be off site before they leave.

Kent Test - 15th October 2020

The Kent test has been confirmed for the 15th October for those Y6 children that are registered. For those concerned about a pupil that might be self isolating on that day, alternative plans are in place for such circumstances.

PAYING FOR SCHOOL DINNERS

If your child is in Key Stage 2 (Y3-Y6) and has school dinners, you should now have registered with +Pay on ParentMail to pay for them. Due to the delay in the system being updated, please can you now clear any back payments due. The registers are now all up to date and should reflect the amount due, including today's meals.

NASAL FLU IMMUNISATION PROGRAMME 2020/2021

On Monday, 7th December all pupils in Years R—6 have the opportunity to participate in the childhood flu vaccination programme. You will be receiving an email from us with a link to the NHS e-consent portal around mid October. If you want your child to immunised, please ensure you complete the consent form when you receive it.
