Preloved Uniform!

As you are aware, there is an enormous amount of un-named uniform we have in school. The FOGS team have suggested that we sort, wash and re-cycle those items that are in good condition.

We are in the process of doing this and will aim to run a coffee morning regularly to enable parents to come and source pre-loved items that they need.

If you do have any uniform that your child has grown out of at home, your contributions to this venture would be greatly appreciated. Please bring any clean items that are in good condition and add them to the old school uniform box, that we will place in the entrance hall.

Thank you so much.
