

GUSTON

CHURCH OF ENGLAND PRIMARY SCHOOL

NEWSLETTER 4th November 2022

Reminder!

Please can I remind parents of a few housekeeping rules for school:

- Children should not wear jewellery to school. If ears are pierced, earrings should be small studs.
- Children need to have sensible coats in school because the weather changes quickly during the autumn and winter months.
- If children are attending clubs after school, they can wear sports clothes to school that day (to avoid having to change after school). However, these need to be **appropriate**; no elaborate labels and should be warm enough for the weather.

Thank you!

Parent Governor Vacancies

We currently have two vacancies for Parent Governors. These are vital roles to enable to school to develop and take account of parental views and expectations. The Full Governing Body meet once a term at 3.30pm - 5.30pm, where we discuss the strategic direction of the school and discuss the progress we are making on areas in our school development plan.

If you think this is something you would like to be involved in, please either pop in and see me or drop me an email on headteacher@guston.kent.sch.uk

We would love to hear from you.
